## SEMI-FRAMELESS BYPASS SLIDERS

### STANDARD FEATURES ON CENTEC CT / CS

- Round or Flat Header. Round will be supplied unless specified
- \*\*Crown Molding Header Available at an additional charge. Available in Silver, Gold, Satin Nickel, & Oil Rubbed Bronze Finishes only. Crown header not available in a reinforced header.
- Pricing shown assumes Clear tempered glass (1/4" or 3/8" as indicated) (All in-line & return panels are 1/4" glass)
- Standard finish is chrome anodized aluminum, but other finishes are available
- Polished Nickel finish only available with a flat header
- Anti-jump safety clips
- Modern Towel Bars come standard
- Fillers are available for out of plumb and out of level conditions. See page 30 for details.
- Consult factory when overlap is at a minimum or maximum range. Excessive overlap will decrease pass thru.
- Custom configurations are available for most bypass units, including additional inline panels, buttress panels, angle cut panels or doors to follow the slope of the ceiling, etc. Please contact us for details.

Satin Etch	\$55
Starphire	\$41
Reed	\$79
Clear	\$25
Bubble	\$96

**AVAILABLE UPGRADES FOR 3/8" GLASS**

Glass Patterns/Tints	Sq.Ft. List Price
Low Iron	\$66
Niagara (Rain)	\$82
Stipolite (Pattern 62)	\$77
Satin Etch	\$88
Starphire	\$66
Satin Etch LI	\$115
ShowerGuard LI	\$111
Clear	\$41

\* Please call to check availability of ALL glass upgrades.

Prices shown are per square foot and are incremental to clear glass price, so can be added to the unit list price.

Formula for Square Feet:

Door Width (inches) X Door Height (inches) ÷ 144 = SF

Example: 28" x 80" = 2240 ÷ 144 = 15.55 SF (Round to whole number)

	<b>\$/ Sq Ft</b>
Diamon Fusion	\$10

Diamon Fusion is a one-time, chemical treatment that is applied to and absorbed by the glass in order to add a layer of protection to the glass, reducing the required cleaning time.

(APPLIED TO BOTH SIDES OF THE GLASS)

1/4 bubble

1/4 & 3/8 cast

3/8 satin etch coral

1/4 & 3/8 glue chip

3/8 satin etch ice

1/4 & 3/8 master carre

1/4 & 3/8 niagara

1/4 spraylite

1/4 & 3/8 reeded

1/4 & 3/8 stipolite  
(Pattern 62)

DIAMON-FUSION INTERNATIONAL  
"Innovation That Ignites Business"

The optional Diamon-Fusion treatment helps protect the glass from the build up of soap scum and hard water deposits and reduces cleaning time by 50%. Applied to both sides of the glass, a vapor mist fills the natural microscopic peaks and valleys in the glass with an ultra thin optically clear durable material making it easier to clean. Simply wipe down with a washcloth or squeegee after showering.

Customers ask for ShowerGuard glass by name because it's the first and best permanent protective shower glass on the market. Wipe-on, spray-on alternatives may need to be periodically re-applied after use. ShowerGuard is applied to one side of the glass during the manufacturing process. Only ShowerGuard has a lifetime limited warranty.

Available in Standard Paint

<b>AVAILABLE HANDLES FOR HINGED MODELS</b> (prices shown assume a set of 2 back to back handles)
