

L 36 - Lucette Framed Bifold Door

Features:

- Cornice header standard for all models.
- Ideal for smaller bathrooms: folds into shower area.
- Choice of 5/32" clear or spraylite/obscure glass, fully glazed and framed for this model.
- Magnetic striker allows superior performance with water leakage.
- Fillers available for wall or base outages greater than 3/16".
- Can be installed to fold in or out of shower area, though best to specify hinge location when ordering.

Configurations:

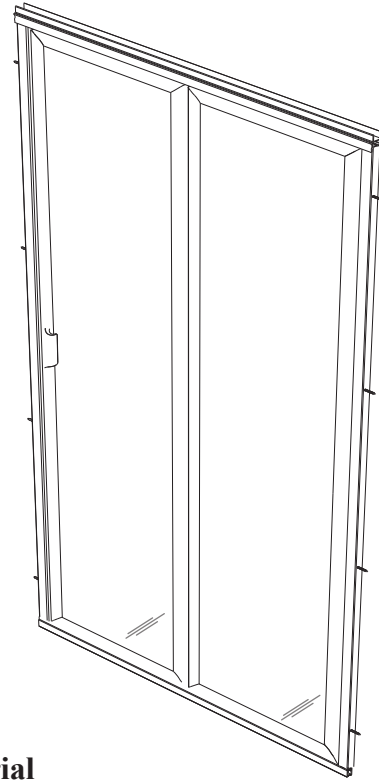

- Consists of twin door panels.

Glass coating option:

- Diamon-Fusion treatment helps protect the build up of soap scum and hard water deposits and reduces cleaning time by 50%. Simply wipe down with a washcloth or squeegee after showering.
